DATA CENTER PRODUCT SOLUTIONS

FEATURES

- High Density
- Compact size
- Push/pull mating for quick installation
- Environmentally stable

APPLICATIONS

- Telecommunications
- Local area network
- Fiber to the home
- Testing instruments

MTP®/MPO Patch Cord

PRODUCT CHARACTERISTICS:

Performance	Type	SM		MM	
		APC Standard loss	APC Elite	PC Standard loss	PC Elite
IL	Max	≤ 0.7dB	≤ 0.35dB	≤ 0.5dB	≤ 0.35dB
	Typical value	0.4dB	0.2dB	0.35dB	0.2dB
RL		≥ 60 dB		≥ 25dB	
Wavelength		1310nm& 1550nm		850nm&1300nm	

CONNECTIVITY SOLUTIONS

A: Multi - Core Interface Interconnection

B: Duplex Interface Interconnection
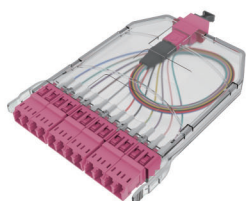

MAIN PRODUCTS

Fiber Optic Patch Cord

MTP®/ MPO Breakout Cable

MTP®/ MPO Trunk Cable

Patch Cassette

Fiber Patch Panel

Optical Transceiver

CLOUD|EDGE|NETWORK|END TO END

ABOUT ZHAOLONG

Zhaolong Interconnect (SZ. 300913) was established in 1993 and has exported its products to more than 120 countries so far. Through continuous efforts and technical innovation, we have become a leader in the professional R&D and manufacturing of data cables, special cables and connectors in Zhejiang, China.

Our company is also authorized to be a member of the National Standards Committee and a research and development base of SECRI. We have the only authorized laboratory of Intertek in Asia.

CAPACITY

4,000,000 BOX LAN CABLE

100,000 km INDUSTRIAL CABLE

600,000 PCS INTERCONNECTS

500,000 km Microelectronic wire

FACTORY

FACTORY CHINA 160000m² | **THAILLAND 15000m²**

CERTIFICATION OF PRODUCTS

ZHEJIANG ZHAOLONG INTERCONNECT TECHNOLOGY CO.,LTD.
ADD：Shilin Industrial Zone, Xinshi Town, Deqing County, Zhejiang Province, China
